#Jenny

Finally I get this ebook, thanks for all these I can get now!

#Rio

Cool! I'am really happy

#Markus Jensen

I did not think that this would work, my best friend showed me this website, and it does! I get my most wanted eBook

#Hun Tsu

wtf this great ebook for free?!

#Che Salsa

My friends are so mad that they do not know how I have all the high quality ebook which they do not!

#Diego Butler

so many fake sites. this is the first one which worked! Many thanks

Observing Protists

Purpose: To observe the internal and external structures of three protists.

Information:
Paramecia, Euglena and Volvox belong to the Kingdom _____
Paramecia are _____ like protists.
Euglena and volvox are _____ like protists.
Where do these protists live? _____
Label the cells below.

Paramecium Euglena

Materials:

- Microscope
- Slide and cover slip
- Paramecium culture
- Euglena culture
- Volvox culture

Procedure:

1. Place a drop of the paramecium culture on your slide and add a cover slip.
2. Observe under the microscope. If you move your slide around you should be able to find a few.
Describe how the paramecium moves.
